HEALTH AWARENESS MONTH

We had health awareness month in February. We had Nick Schultz, from Schultz Chiropractic clinic here in Fountain Hills speak to our Rotary Group about taking care of your spine just like you take care of your teeth. He said you should have a check up at least yearly. Dr. Schultz has a special decompression machine that no one else in Fountain Hills has—the DRX 9000. You can visit his website at www.schultzchiroclinic.com or call 480-837-5060 for more information.

Continuing with the health awareness theme, we had Windy Yuanli Wang, L. Ac. Speak to our group about the benefits of Traditional Chinese Medicine (TCM) - which includes Acupuncture, Herbs, and Tuina. Tuina is a therapeutic massage that has been widely used in China for thousands of years. Tuina is effective for musculoskeletal problems such as lower back pain, and numbness and tingling in the limbs. Tuina is also good for many types of headaches.

Chinese herbal medicine is by far the largest component of TCM. It is considered more effective than any other TCM method in treating internal and chronic diseases.

Frank Goldberg, Gene Garvey, Greg Podd

We were honored to have among our us as our guest at a recent meeting Frank Goldberg. Frank has been a Rotarian for 16 years, and during this time he has served as a past District Governor, a past Rotary International Director (only 17 in the world), past Rotary Treasurer, Chair of Rotary International Financial Committee, and a Member of Rotary Invitational Committee.

Wow! What an Honor!

Bob Rink spoke to our Rotary group about the group he is involved with—Global Interactions, Inc. This group takes American young adults ages 12–16 into the heart of China with on-site cultural/language immersion experience in Zhengzhou, Inner Mongolia and Beijing. There are several days of extensive cultural site visits, science activities and learning excursions focusing on local and world issues. Last years program and daily news updates can be found on their website www.globalinteractions.org. For more information call 602-906-8886.

THE FOUR-WAY TEST of the things we think, say or do...

First, Is it the **TRUTH**?

Second, Is it **FAIR** to all concerned?

Third, Will it build **GOODWILL** and better **FRIENDSHIPS**?

Fourth, Will it be **BENEFICIAL** to all concerned?

Rotarians make a difference! We change the world.
